

IP Academy

NJPA Open Play Event

Season pass members play any days but must sign up for each event. Capacity is limited by group levels & minimum rotation play

Weekend Plays subject to change for tournament events

NJPA Open Play – Mission: provide opportunities for all our members to play in an open format with courts assigned based on player levels of low intermediate / intermediate / advance. Players can sign up individually without a partner and play a pick-up game with players at their level. If there are more players than available courts a rotation guideline will ensure that everyone can participate. Group private court is available with planned reservation.
